THE BAR

THE QUILLED ORNERY

Pompous plumes! Yet…
Cold inside;
Beauty masking sneering pride.
Alone he struts…
None slip within;
Beware the barbs!
They scythe and spin.
Unkind beauty wears so thin –
Let's relax now? Mine's a gin!

An illustrated book of children's verse by Vincent Cartwright Vickers, who once lived at 15 Sun Street and was the Governor of the Bank of England between 1910-1919, during which, The Google Book was created.

The book has surrealist illustrations of various imaginary birds, alongside short poems about them. The Google of the title is a strange creature that lives in a pool in a beautiful garden and at night prowls the land where the birds live.

Originally published in 1913 by J & E Bumpus Limited, London, at Vickers' expense in a limited edition of 100 copies.

The 2022 edition is published by Ecen Books with the support of the Sun Street Hotel.
